Crinkle, Rattle and Squeak Baby Toys

These playful toys are packed with fun. The stuffed cube and toy are embellished with ribbons, rick rack and appliques. Attach purchased linking teething rings through the ribbon loops and use different textures on the appliques to add to the fun. The cube has a flap, a pocket and a separate stuffed toy with optional squeaker. Flower petals and bee wings are stuffed with cellophane to make interesting sounds for baby to explore. Bug ball toy has knotted legs, one with ribbon loops, the other with a loop for linking teething rings. Wings are stuffed with cellophane and you can add an optional squeaker in head.

The cube and bug toy are *designed for light weight woven fabrics* such as cotton, cotton types. Cube A: Felt or flannel for stuffed frog, chenille for cube bottom panel and flower center. **The cube and bug toy are also fat quarter friendly.**
